To everyone who is going to have a birthday during the summer break.

Hello!

Only one week until we break up for the summer! This is the last week of learning packs and then a bit of a rest until you come back to school next term, if you want a few bits to do I will put some work packs on our website.

It was fantastic to see so many of you on the zoom calls on Friday, I'm looking forward to seeing you again today! (Monday).

This week is also Miss Misiri's last week at Seagrave. We will miss her dearly but we are also excited for her as she takes on a new adventure in London. Thank you all for the lovely messages, cards and gifts you have sent her—I know she is feeling your love.

We are also saying goodbye to Mrs Riley this week although I am sure she will be popping to see us every so often!
