Independent activities can be done at any point during the day that fits in with you.

If you miss a live session it will be recorded and will appear in the posts section of Microsoft teams when the session has finished.

If there are problems with watching the recording or attending the live session the power points and screens used by the teachers will also be in the files section

Teachers will put an overview of the weeks work in the files section so you can see what is coming up.

Please send work to your teacher via email for feedback, there will also be feedback and discussion during the live sessions.
